Fire Chief's Report

June 2024

During the month of June, I attended three meetings, St Clair Flats Association, the St. Clair County Fire Chief's Association, and Teleconference meeting with the US Coast Guard to go over final plan with Jobbie Nooner.

Jobbie Noon was low key this year, with only 300 to 350 boats around the island. We responded to one minor emergency and two priority 1 calls (full arrest and personnel watercraft accident). I would like to thank Mr. & Mrs. Bob Bryson for allowing us to use their property for staging. We greatly appreciate it. Also Mr. Todd Chartier for allowing us to launch our two personnel watercrafts from his property, and of course Clay Township Dispatch for their outstanding services during the event.

I would like to thank the clay township Firefighters for their service during the two propriety 1 call's we had towards the end of Jobbie Nooner.

Fire department is gearing up for the 4th of July holiday, we will be assisting Algonac Fire Department on one event, the fireworks stand-by. We will also be attending a fireworks stand-by for the Old Club on Harsens Island.

Will be working with the St. Clair County Marine Division, and US Coast Guard next month to plan out Raft Off.

I would like to thank the Harsens Island Ferry Captains/pilots and deck hands for their prompt action for getting our emergency vehicles across the river.

All fire department equipment is in service.

Fire Department Training:

Fire Rescue1 Academy Training for the month 25 hours

Medical Training 12 Hours

Department / Crew Training: 30 Hours Pumping Operations, Boat Operation, Russell Island Familiarization, Power Equipment.

Lexipol Policies and Procedures Chapter 7 (Equipment and Technology) and Chapter 8 (Record Management) sent out for personnel to read and review.

Respectfully,

George F Rose
